

Construction Industry Development Council

Hindustan Aeronautics Ltd., Korwa

## Vocational Training Program

Sponsored by

# Hindustan Aeronautics Ltd.

# Final Report

2020-2021

## **Preamble:**

CSR is gaining new priorities amongst the PSU's and Corporate. Education (skill development) leading to sustainable employment is one of the focus area covered under CSR policy of almost every company. Hindustan Aeronautics Ltd. (HAL) had placed an order to Construction Industry Development Council (CIDC) in September 2020 for Amethi District, U.P. in to impart Skill Development Programme to 154 beneficiaries belonging to SC/ST/OBC /Women & EWS under its Corporate Social Responsibility (CSR) Initiative 154 to be trained during 2020 -21 and will place larger number in 2021-22.

The order envisages that the complete financial implication on skill development of 154 youth shall be borne by HAL & the responsibility of identification, training, placement & tracking shall remain with CIDC. The program was started from 22<sup>nd</sup> September, 2020 and completed the batches on 08 February, 2021.

The main objective of the programme is to provide employment opportunities either through wage or self-employment to the new candidates (socially and economically challenged youth) by upgrading their skills in the construction trades. This training programme is for underprivileged and disadvantaged sections of society.

The training is being imparted in CIDC's training Centre located in Ramshapur (Amethi) & Kanhmou (Sitapur). The training has been provided in various construction trades namely General Work Supervisor, Electrician, Land Surveyor & Computer Operator. (Attendance register attached)

## **Training:**

It commenced at Ramshapur & Kanhmou of Uttar Pradesh in the month of September 2020 with different batch strengths in General works supervisor, Land Surveyor, Electrician & Computer Operator.

After one month of orientation and class room training at respective Centers, candidates were sent to further in depth knowledge of their trade we really did some construction work through practical.

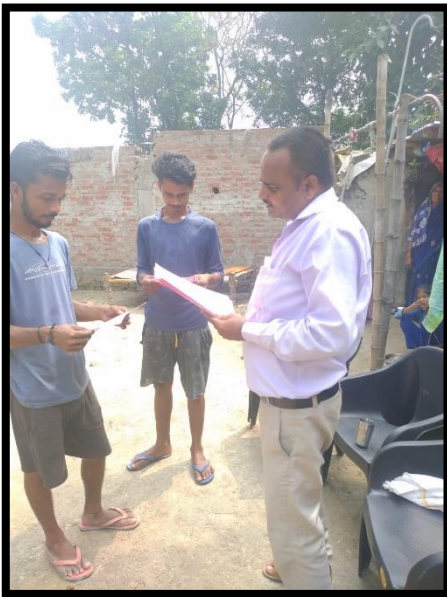

During the training your officials visited one of our centre for checking, interacted, and examined the students.

We would like to draw your attention towards our training through some photographs while getting training:-
